Aquatic Garden, 200L ~ 320L

Comments from Judges

Very good aquascapes in this category.

—Inderjeet Singh Bansal

Note that Luis Carlos (Luca) Galarraga was one of our five judges this year, but also entered (and placed) in this category. To avoid any conflict of interest, Luca did not judge this category, and (as it is with every entry) his aquascape was kept anonymous to the other judges.

—Erik

There was really a lot of depth in this class. It was a joy to judge!

—Karen Randall
