### Comments from Judges

—Inderjeet Singh Bansal

*This was one of the most difficult category to judge, congratulations to all participants!*

—Luca Galarraga

*Hard to judge...a lot of lovely layouts. Congrats to all the participants!*

—Oliver Knott

*While not quite "nanos" these are also very small tanks, and it's fun to see how people have used those small spaces to make layouts that "feel" much larger. Well done!*

—Karen Randall
